Dear Joe and Funderburk Friends,

Thank you so much for your support of Sevier County Food Ministries through the installation of power for our new freezer as well as other electrical projects this fall. Your team did an outstanding job of getting the new freezer unit into operation before the holidays, with Pete particularly helpful and easy to work with. We would not be more pleased. Your generosity, your blessing and your continued prayers are greatly appreciated and help us fulfill our mission to ensure no one in Sevier County goes hungry. God is good to SCFM, and so are you folks.

We are thankful for the blessings provided by our community which have allowed SCFM to assist an average of 1,600 families per week with a bag of groceries so far this year as we charge into the holiday season. We anticipate the need to continue to be great as we head into the end of the year and the winter ahead.

SCFM is very proud to have 150 active volunteers who allow us to serve our neighbors in need. In 2013, more than 6,200 families sought assistance from our pantry, including 1,650 families who had never visited before. We've already signed up over 1,100 families in the first three quarters of this year. We packed and distributed over 81,000 bags of groceries last year and have already surpassed that total in 2014.

With your help, we are blessed to be able to serve our neighbors. Please know how much your continuing support of our food ministry is appreciated and have a terrific holiday season.

Sincerely,

Jim Davis, Director

Mark 6:36-37 "By this time it was late in the day, so his disciples came to him. 'This is a remote place,' they said, 'and it's already very late. Send the people away so they can go to the surrounding countryside and villages and buy themselves something to eat.' But he answered, 'You give them something to eat.'"
